The selected organization must be willing to receive considerable media attention and provide press quotes, interviews, logos, photos, videos, as well as personal stories from staff, volunteers and clients. Expectations and Monetary Agreement

(1) By partnering with Edmond North High School in our fundraising efforts you are also agreeing to provide a liaison for Student Council to work closely with in regards to event planning and networking, and your organization agrees to not hold fundraising events during BALTO Week time.

(2) Your organization must be willing to receive considerable media attention and provide press quotes and releases, interviews, logos, photos, videos, as well as personal stories from staff, volunteers and clients. You must also provide a presence or representative at all BALTO Week events, make speeches at assemblies, and assist with promotion of all events.

(3) You must be willing to contact supporters and financial backers to help raise money with BALTO Week. BALTO Week will be held **February 12--16, 2024**.

(4) Your organization must be willing to submit a full accounting of donated funds at agreed upon, regular intervals until said funds have been depleted. Access to financial records related to donated funds must be provided to EPS district personnel upon request. Our donors like to hear how their donations are being applied, and our organizers like to continue the relationship with the philanthropy after BALTO week. Progress reports of project completion and/or program growth will also be required.

Note: Every year Edmond North High School joins with the other Edmond High Schools and picks a Common Thread Recipient. The Common Thread is an Oklahoma-based non-profit organization that receives **5%** of the funds raised from each school. The total that is announced at the final assembly during BALTO Week includes expenditures and the 5% that is going to the Common Thread. We will then write the BALTO Week Recipient a check for the amount of money less expenditures and the 5% donated to the Common Thread. In the case of matching funds, the Common Thread recipient only receives 5% of the original amount raised—not 5% of the total (original + matching funds). *Expenditures include event expenses, public relations, and materials for mail outs and printing.*

By signing below, you indicate that you understand and agree to the fundraising process described above.
